Granada Hills High School
Granada Hills, California

This year we delve into the new and unique, by choosing a sister city in Japan. The name of the city is Nagoya from which we have chosen two schools Kinjo Gakuen and Nagoya Gakuen.

As our school, these also are fine institutions of learning.

We hope to promote friendship and good will as well as an understanding and feeling of peace between the peoples of these different cultures.

In conclusion, we salute and dedicate this year book to you, Kinjo Gakuen and Nagoya Gakuen.

Dear Mr. Bryce Schurr, and Mr. Joseph Gatto:

We really appreciate your kind letter and information about your school. We are very happy that your school and ours are united as sister schools to be helpful for the future understanding and cooperation between two peoples.

In our school all the school activities are to be promoted on the spiritual basis of international understanding and cooperation.

We know by your letter that your school is two years old; while our school is seventy-three years old.

A two-years old baby and seventy-three years old woman are going to walk hand in hand in the future. This figurative contrast has a deep meaning in the future progress of two schools.

Your school was born in the present scientific times; while our school was born in the Japanese cultural dawn in the past. So the contact between our two schools will surely bring forth a new feature to add to each own.

We wish to give you our hearty thanks and joy for this opportunity to deepen the mutual fellowship.

Our school is a Christian School founded in 1889 A.D. and has a student enrollment of 1,871 girls ranging in age from fifteen to eighteen years old. The ninety-five instructors (including part time lecturers) teach the following subjects:

Bible, Japanese, Chinese classics, Social problems, History (Japanece and World), Mathematics (algebra, geometry, trigonometry), Science (physics, chemistry, biology), Music, Home economics (food, clothes), Drawing, Physical education, English, and Business education, etc.

We have two semesters: The first semester begins at the beginning of April and closes at the end of September, during which period we have summer Holidays from July 21st to September 7th; the second semester begins on October 1st and ends on March 20th, during which period we have winter holidays for half a month.

The school day begins at 8:15 A.M.—teachers' morning service, at 8:25—girls' morning service. School begins at 8:45 A.M., and we have 4 lessons before noon and two or three in the afternoon. The lunch time is from 12:35 to 1:15 P.M.

The climate in Nagoya is not so mild. It is very hot in summer and very cold in winter. Now is the coldest time of the year and on Jan. 24th the temperature in the early morning was 6 degrees F. below zero. But of late years we have seldom snow, though the climate in late March and April, early May, late September, October and early November are very mild; it is neither too hot nor too cold—They are flower season, green leaves season and what you call the Indian summer.

We have many kind of sports. The most popular ones our girls are enjoying are: Basketball, volleyball, tennis, ping-pong, Swimming in summer. Club activities are: Basketball club, tennis club, ping-pong club, volleyball club, swimming club, dancing club, English club, mountain climbing club, gymnastics club, scientific clubs (biology, chemistry), drawing club, music club (glee club), camera club end so on.

We are very willing to give you materials for the new yearbook which you are planning to make. We are sending you some pictures and pamphlets which may be of any use to your plan in any way.

We really appreciate your kind offer of service to us!

Thank you for your further information about your school.

Sincerely yours,

President of Kinjo Gakuin
Dr. Chikataro Togari
Vice President
Mr. Buichi Kondo
Head Teacher
Mr. Yoshikane Ito

Mr. Bryce Schurr, Principal
Granada Hills High School
10535 Zelzah Avenue
Granada Hills, California

Dear Mr. Schurr:

Thank you for your letter of January 30 which tells that the Yearbook Council has decided to deepen the interest in Japan and strengthen the mutual friendship between us.

In our school also, both teachers and students have formally resolved to do the best efforts so that our school may be a sister school of Granada Hills High School.

Dr. Kiyeshi Sugito, Mayor of Nagoya City, who is a graduate of our school, is very glad to hear our decision. He says that the Mayor of your city and his attendants will come to Nagoya. I think that the exchange of school symbols will be serviceable to foster a better understanding between us. Will you please, then, ask the Mayor of your city to bring the symbol of your school and to make a formal visit to Nagoya Gakuin when he comes; then I will ask him to take the symbol of our school to Granada Hills High School.

If you kindly agree to this proposal of mine, I will hasten in preparing for it, as we have not much time left.

I will send the photographical chronical of our school and the latest article from the Mainichi Newspaper under separate cover.

Hoping for the friendly relations between America and Japan, and for the peace of the world through the education of young people,

I remain,

Yours sincerely,
Kazue Suekane

Our Varsity football team in its second year had been called by many, and certainly was a cinderella team. Led by quarterback Mike Reece, their tremendous spirit and hunger for victory along with fine talent gave them win after win.

Excelling this year were: halfback, Walt Newton; quarterback, Mike Reece; fullbacks, Larry Sharp and Dave Gerrish; end, Brian Smith; and tackle, Dave Floyd.

The Highlander Bee's got off to a tremendous start by winning their first four games. They were in a tie for first place with Cleveland and Taft, but after dropping one game each to these schools they ended the season in third place.

Excelling this year were: halfbacks, Chris Hartnett and Dan McLaird; quarterback, Terry Witherill; guard, Barry Penzel; center and kicker, Ron Moormeister. More than once, a game had been saved by the toe of Moormeister.

Though not winning top honors in the league the Bee's 6-2-0 record was much improved over last year's 0-7-1 record.

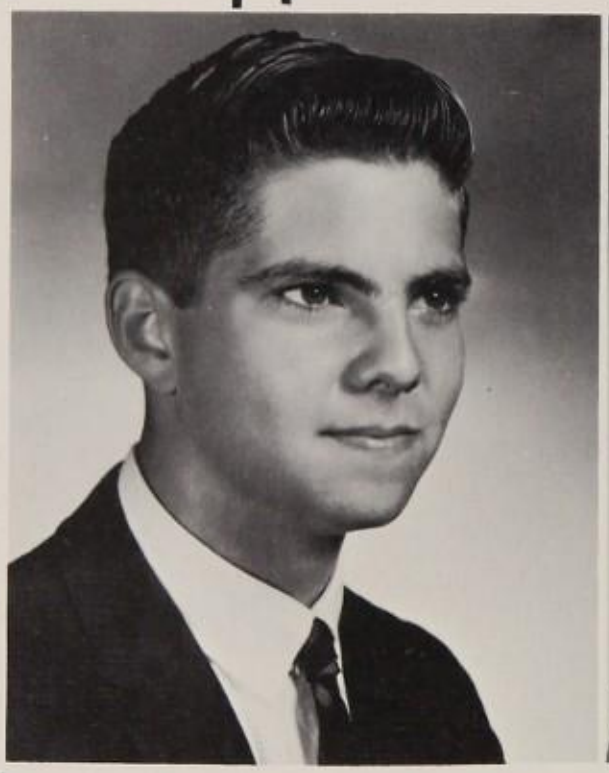
BARBARA OTT
VALEDICTORIAN

The Valedictorian is the student with the highest grade point average in the graduating class. The person with the second highest grade point average in the class is the Salutatorian.



BARRY FROMM

BARBARA OTT

BONNY HUKWITT
SALUTATORIAN

The Ephebian society is a civic betterment and service organization composed of high school graduates from the Los Angeles area. They are selected by the faculties and senior classes of their schools on the basis of high scholastic achievement, outstanding character, leadership ability, and previous service. Only one student in every forty from each graduating class may be chosen. This is one of the highest honors a senior in a Los Angeles area high school may attain.

As we come to the end of this pictorial review of the past year's events, we also come to the end of another school semester. The exciting year of 1962 opened with the adoption of our two Japanese sister schools of Kinjo Gakuin and Nagoya Gakuin. Through the diligent efforts of Mr. Eiji Tanabe of the Japanese Chamber of Commerce, and the many other people who gave us their invaluable aid, we have created a lasting friendship with our Japanese sister schools.

Thanks are in order for the many people who helped to make a great book. Sandra Bass and Kay Keppler—Club Co-editors, Vonnie Blomquist—Advertising Section, Carter Cobb—Staff Photographer, Vicki Cramer—10th Grade Editor, Greg de Roulhac—Photography Editor, Marilyn De Sario—Art Section, Fred Funk—Art Editor, Joan Gabaig—Senior Editor, Gari Gratiot—11th Grade Editor, Carol Gray—Index Section, Marshall Hansen—Sports Editor, Sharon Mowry—Faculty Editor, Amara Padilla—Art Section, Jan Person—Photography Secretary, Kathie Staley—Index Editor, Fred Steele—Staff Photographer, and Ellen Ulick —Club Editor.

Special appreciation goes to Mr. Gatto, our sponsor, for his guidance, interest and inspiration in the publication of the yearbook. Under his leadership, the Tartan has grown in size and quality. For his sincere efforts, we say, "Thank you".
